

COVID-19 POLICY

SUMMER 2020

The health and safety of our staff, huskies, visitors, and community have always been our top priorities. Due to COVID-19, we are implementing enhanced policies to ensure the safety of our guests and staff. Trail Breaker Kennel kindly asks our guests to follow these precise guidelines to keep everyone safe and healthy.

PETTING OF DOGS

The health and safety of our huskies is a top priority. The CDC suggests limited contact with pets and humans from different households. However, we understand this is hard to do during a kennel tour. Therefore, we require guests to use hand sanitizer before and after petting our huskies. Complimentary hand sanitizer will be available for use in all tour areas. If guests are wearing clean gloves, they will not be required to apply hand sanitizer.

SOCIAL DISTANCING

All guests must remain at least 6 feet away from Trail Breaker employees throughout their tour. Designated areas, at least 6 feet away from any Trail Breaker employee, will be provided for guests during their time at the kennel. Guests must remain in these areas, unless in case of an emergency.
